ORDER GRANTING FINAL APPROVAL OF CLASS ACTION SETTLEMENT

This matter having come before the Court on April 30, 2009 for a scheduled Final Approval Hearing and entry of an Order Re: Final Approval of Class Action Settlement ("Final Order") and Judgment consistent with the Court's January 20, 2009 Preliminary Approval Order, and as set forth in the Parties' Class Action Settlement Agreement and Stipulation ("Settlement Agreement" or "Settlement"), and due and adequate notice having been given to Class Members as required by the Preliminary Approval Order, and the Court having considered all papers filed and proceedings herein, and having received no objections to approval of the Settlement, and determining that the Settlement is fair, adequate and reasonable, and otherwise being fully informed and good cause appearing therefore, it is hereby **ORDERED**, **ADJUDGED AND DECREED AS FOLLOWS**:

1. This Final Order incorporates the Settlement Agreement. Unless otherwise

provided herein, all capitalized terms used herein shall have the same meaning as defined in the

Settlement Agreement. For purposes of this Final Order and the accompanying Judgment, the

term "Defendants" shall include the Released Parties.

2. Consistent with the definitions provided in the Settlement Agreement, the

Plaintiff Class consists of all salaried employees who worked for at least one full day as a

regular, full-time General Manager at a Panera-owned café located in California between

February 22, 2004 and the date the Court enters its order granting preliminary approval of the

settlement provided by this Settlement Agreement. The only person who timely excluded

themselves from the Class is Jeannie Dixon.

3. Because adequate notice has been disseminated and all potential Class Members

have been given an opportunity to opt out of this Action, the Court has jurisdiction over the

subject matter of this proceeding and over all Parties to this proceeding, including all Class

Members. In addition, the Court has personal jurisdiction over all Class Members with respect

to the Action and the Settlement.

4. Distribution of the Class Notice and the Work Computation Form directed to the

Class Members, as set forth in the Settlement Agreement and Notice Plan, has been completed in

conformity with the Preliminary Approval Order, including individual notice to all Class

Members who could be identified through reasonable effort, and the best notice practicable under

the circumstances. The Class Notice provided due and adequate notice of the proceedings and of

the matters set forth in the Preliminary Approval Order, including the proposed Settlement as set

forth in the Settlement Agreement and fully satisfied the requirements of applicable law. The

Class Notice also provided due and adequate notice to Class Members of their right to exclude

themselves from the Settlement, as well as their right to object to any aspect of the proposed

Settlement.

5. The Court hereby finds the Settlement was entered into in good faith and further

finds that the Settlement is fair, reasonable, and adequate, and in the best interests of each of the

Parties and the Plaintiff Class Members. Named Plaintiff has satisfied the standards and

applicable requirements for final approval of this class action Settlement under federal law,

including the provisions of Federal Rule of Civil Procedure 23.

6. The Court hereby approves the Settlement as set forth in the Settlement

Agreement and finds that the Settlement is, in all respects, fair, adequate, and reasonable, and

directs the Parties to effectuate the Settlement according to the terms outlined in the Settlement

Agreement. The Court finds that the Settlement has been reached as a result of intensive,

serious, and non-collusive arms-length negotiations, including mediation. In granting final

approval of the Settlement Agreement, the Court considered the nature of the claims, the

amounts and kinds of benefits paid in settlement, the allocation of settlement proceeds among the

Class Members, and the fact that a settlement represents a compromise of the parties' respective

positions rather than the result of a finding of liability at trial. Additionally, the Court finds that

the terms of the Settlement Agreement had no obvious deficiencies and did not improperly grant

preferential treatment to any individual Class Member. Accordingly, the Court finds that the

Settlement Agreement was entered into in good faith. The Court also finds that the Plaintiff

Class is properly certified for settlement purposes only.

7. As of the date of this Final Order, the Named Plaintiff and all Plaintiff Class

Members shall be bound by the releases set forth in the Settlement Agreement, regardless of

whether such persons received any compensation under the Settlement Agreement. Except as to

such rights or claims that may be created by the Settlement, all Class Members as of the date of

this Final Order who did not timely opt out are hereby forever barred and enjoined from

prosecuting or seeking to reopen the Settled Claims, and any other claims released by the

Settlement Agreement, against the Released Parties.

8. Neither the Settlement nor any of the terms set forth in the Settlement Agreement

are admissions by Defendants, or any of the other Released Parties, of liability on any of the

allegations alleged in the Action, nor is this Final Order a finding of the validity of any claims in

the Lawsuit, or of any wrongdoing by Defendants, or any of the other Released Parties.

9. The Court hereby confirms Stueve Siegel Hanson LLP and Girard Gibbs LLP as

Class Counsel, and finds that Class Counsel has adequately represented the Plaintiff Class for

purposes of entering into and implementing the Settlement.

10. The Court hereby finds the \$500,000 Gross Settlement Fund provided for under

the Settlement to be fair and reasonable. Defendants are required to make all payments

necessary to fund the Settlement in accordance with the terms of the Settlement Agreement.

11. Pursuant to the terms of the Settlement, and the authorities, evidence, and

argument set forth in Class Counsel's application, an award of attorneys' fees and expenses in

the total amount of \$146,887.10 as final payment for and complete satisfaction of any and all

attorneys' fees and expenses incurred by and/or owed to Class Counsel is hereby granted. The

Court finds that the approved amount of Class Counsel's request falls within the range of

reasonableness and that the result achieved justifies the award. The payment of fees and costs to

Class Counsel shall be made from the Gross Settlement Fund in accordance with the terms of the

Settlement Agreement.

12. The Court also hereby approves, and orders payment to, Plaintiff Pati Johns in the

amount of \$7,500 for her services as class representative and as consideration for providing a

general release and waiver of right to reemployment. Payment of this class representative

incentive award shall be made from the Gross Settlement Fund in accordance with the terms of

the Settlement Agreement.

13. The Court further approves the payment of up to \$25,000 to The Garden City

Group, Inc. to cover the costs of administration as provided for in the Settlement Agreement.

The payment authorized by this paragraph shall be made in accordance with the terms of the

Settlement Agreement.

14. The Court also hereby approves the payment of an amount of \$1,000 that shall be

paid to the State of California Labor and Workforce Development Agency. This sum is the

amount that the parties have agreed is to be paid in settlement of all claims for civil penalties

under the Labor Code Private Attorneys General Act of 2004, Labor Code sections 2698, et seq.

15. The Court finds the Net Settlement Fund provided for under the Settlement

Agreement to be fair and reasonable. Accordingly, the Court approves and orders the

calculations and the payments to be made and administered to the Plaintiff Class in accordance

with the terms of the Settlement Agreement. The entirety of the Net Settlement Fund is to be

paid to the Plaintiff Class, as provided for in the Settlement Agreement. The Settlement

Payments authorized by this paragraph shall be made in accordance with the terms of the

Settlement Agreement.

16. Paragraphs 10-15 of this Final Order cover all Settlement Payments, claims for

attorneys' fees and expenses, costs or disbursements incurred by Class Counsel or any other

counsel representing the Named Plaintiff or other Class Members, or incurred by the Named

Plaintiff or the Class Members, or any of them, in connection with or related in any manner to

this Action, the Settlement, the administration of the Settlement, and the Settled Claims.

Defendants shall not be required to pay any additional amounts in connection with the Settlement

other than those amounts specifically set forth in the Settlement Agreement.

17. If the Settlement does not become final and effective in accordance with the terms

of the Settlement Agreement, then this Final Order and all orders entered in connection herewith,

including the accompanying Judgment, shall be rendered null and void and shall be vacated.

18. Without affecting the finality of the Settlement or accompanying Judgment, this

Court shall retain exclusive and continuing jurisdiction over the Parties, including all Class

Members, relating to the Action and the administration, consummation, enforcement and

interpretation of the Settlement Agreement, this Final Order, the Final Judgment, and for any

other necessary purpose.

19. With respect to Class Members, any and all disputes and claims alleged in the

First Amended Complaint and any and all claims released in the Settlement Agreement,

including the Settled Claims, are hereby dismissed with prejudice. With respect to non-

California General Managers who are not part of the Plaintiff Class, any and all disputes and

claims alleged in the First Amended Complaint are dismissed without prejudice.

as their heirs, executors and administrators, successors and assigns, and those terms shall have

res judicata and other preclusive effect in all pending and future claims, lawsuits or other

proceedings maintained by or on behalf of any such persons, to the extent those claims, lawsuits

or other proceedings constitute Released Claims as set forth in the Settlement Agreement.

21. The Parties are hereby authorized, without needing further approval from the

Court, to agree to and adopt such amendments to, and modifications and expansions of, the

Settlement Agreement, as are in writing and signed by the Parties' counsel and are consistent

with this Final Order.

22. Neither this Final Order and the accompanying Final Judgment nor the Settlement

Agreement (nor any other document referred to herein, nor any action taken to carry out this

Final Order and the Final Judgment) is, may be construed as, or may be used as, an admission or

deemed evidence of, an admission or concession as to Defendants' denials or defenses and shall

not be offered or received in evidence in any action or proceeding against any party hereto in any

the settlement or to enforce the provisions of this Final Order and Final Judgment and the

Settlement Agreement; provided, however, that this Final Order, the accompanying Final

Judgment, and the Settlement Agreement may be filed in any action against or by Defendants or
